Disclosures
The Medical Society of the State of New York relies upon planners and faculty participants in its CME activities to provide educational information that is objective and free of bias. In this spirit, and in accordance with the guidelines of MSSNY and the ACCME, all speakers and planners for CME activities must disclose any relevant financial relationships with commercial interests whose products, devices or services may be discussed in the content of a CME activity, that might be perceived as a real or apparent conflict of interest. Any discussion of investigational or unlabeled uses of a product will be identified.

The planners and the faculty participants do not have any financial arrangements or affiliations with any commercial entities whose products, research or services may be discussed in these materials, with the exception of:

- Dr. Domachowske has indicated a relationship with GSK, Merck, Pfizer, Sanofi, Medimmune, for which he provided support and Merck, Sanofi, Medimmune, and Novartis for which he provided consultation.
- JoEllen Wolicki, RN, will be discussing off-label use of products during her presentation.
