

**NYSACHO is pleased to offer a webinar on OASIS-C, The Next Generation, presented by Trish Tulloch of RBC Limited. This two-hour webinar will be held on Thursday, February 4, 2010 from 2:30-4:30 p.m., with a follow-up one hour webinar Question and Answer Session on Friday, February 5, 2010 from 3-4 p.m. . The webinar will cover the following:**

**NYSACHO OASIS-C Program February, 2010**

***RBC Limited***

**Healthcare & Management Consultants**

**845-889-8128**

**rbc@netstep.net**

**OASIS-C**

**The Next Generation**

**THIS EVENT IS OPEN TO STAFF AT LOCAL HEALTH DEPARTMENTS ONLY**

CMS has revised the OASIS-C to provide enhanced assessment and documentation practices. This program addresses the underlying premises of the revised OASIS-C, and the potential impact of the OASIS-C changes on agency operations. What's changed and what remains essentially the same in this revised assessment document? How will the OASIS-C impact your agency's outcomes and reimbursement?

Join RBC Limited to identify and detail the revised and new OASIS-C item changes that will impact your agency's assessment and documentation strategies. Receive a clinician guide to support critical OASIS-C assessment and document practices. This session will provide an overview of the revised OASIS-C document with additional take-away reference tools to support clinician practice changes.

**Program Goals**

1. Identify critical elements of the revised OASIS-C;
2. Discuss OASIS assessment and scoring strategies per the revised OASIS Chapter 3 for focused revised and new assessment items;
3. Share tips and strategies that will support your staff with the OASIS-C changes.

**Practical Take Away Tools**

- A Clinician Reference Score Guide
- Highlighted OASIS-C with all specific revisions easily identified
- A Sample Pain and Depression Assessment Tool

**© RBC Limited 2010**

*RBC Limited is a full service management consulting firm specializing in health care, which has developed a wide array of products and services to meet the needs of today's health care providers. In today's changing— and ever challenging— health care environment, RBC is recognized as a leader in the field of health care and management.
