This program is hosted by the New York State Association of County Health Officials, the immunization coalitions of Northeastern New York and co-provided by the New York State Department of Health.

Funding for this meeting was made possible (in part) by the Centers for Disease Control and Prevention. The views expressed in written meeting materials or publications and by speakers and moderators do not necessarily reflect the official policies of the U.S. Department of Health and Human Services, nor does the mention of trade names, commercial practices or organizations imply endorsement by the U.S. government.

The views expressed in vaccine manufacture displays, publications and by representatives of the vaccine manufacturers or the mention of trade names, products, commercial practices or organizations does not imply endorsement by NYSACHO, NYSDOH, the local health departments, or the coalitions.
